DELAWARE STATE SENATE
153rd GENERAL ASSEMBLY

SENATE CONCURRENT RESOLUTION NO. 140

RECOGNIZING FEBRUARY 15, 2026, AS "INTERNATIONAL ANGELMAN DAY" IN THE STATE OF
DELAWARE.

1 WHEREAS, Angelman Syndrome ("AS") is a rare neurogenetic disorder that occurs in approximately 1 out
2 of every 15,000 births; and

3 WHEREAS, due to a loss or mutation of the UBE3A gene, a person who has Angelman Syndrome can experience
4 developmental delays, seizures, an unusually happy demeanor, sleep problems, and a lack of speech; and

5 WHEREAS, an estimated 500,000 people are affected worldwide; and

6 WHEREAS, AS requires lifelong treatment, but with proper care, does not shorten life expectancy; and

7 WHEREAS, studies show that the average household faces nearly \$30,000 in treatment and care expenses, along
8 with projected annual caregiver wage losses of nearly \$43,000 resulting from reduced work hours; and

9 WHEREAS, there is currently no cure for AS, although there is great confidence among researchers that a cure is
10 achievable; and

11 WHEREAS, every February 15, the Angelman Syndrome Foundation observes International Angelman Day to
12 honor those who have the disorder and raise awareness; and

13 WHEREAS, over 50 charitable organizations based in more than 40 countries participate in International
14 Angelman Day; and

15 WHEREAS, the Angelman Syndrome Foundation has invested about \$15.7 million into research relating to the
16 disorder since 1996; and

17 WHEREAS, an increase in public awareness, expanded research, and affordable care are of the utmost importance
18 to improving the quality of life for those with Angelman Syndrome and, above all else, finding a cure.

19 NOW, THEREFORE:

20 BE IT RESOLVED by the Senate of the 153rd General Assembly of the State of Delaware, the House of
21 Representatives concurring therein, that February 15, 2026, is hereby recognized as "International Angelman Day" in the
22 State of Delaware.
